PROFESSIONAL SUMMARY

Graduate Software Engineer with experience developing full-stack web and mobile applications using React, React Native, TypeScript, Node.js and Express. Strong foundation in software development through team projects involving REST APIs, databases, testing and modern development practices.

EDUCATION

University of Auckland

2022 – 2025

Bachelor of Engineering (*Honours*) - Software Engineering

- Staples Education Foundation (SEF) Scholarship (BUDDY) 2024
- University of Auckland Top Achiever Scholarship 2021

PROJECTS

EVelocity Wireless Telemetry System (Capstone)

March - June 2025

React • TypeScript • Node.js • Express • SQLite

- Designed and implemented RESTful backend APIs using Node.js, Express and SQLite to manage competitions, teams, telemetry data and automated scoring.
- Built a React + TypeScript dashboard for telemetry visualisation, leaderboards, event management and performance analytics.
- Contributed to backend architecture, database design, and automated testing using Jest, Supertest and Vitest within a collaborative team environment.

PokeScholar - Gamified Study Companion

March - June 2025

React Native • Expo • TypeScript • Node.js • Express • MongoDB • Clerk

- Developed a mobile application that combines Pomodoro study sessions with gamified Pokémon-inspired rewards.
- Built responsive React Native interfaces for study sessions, collections, leaderboards, social features and user profiles.
- Integrated REST APIs, MongoDB and authentication while collaborating using GitHub Flow, pull requests and Jira.
- Contributed to automated frontend and backend testing using Jest.

WORK EXPERIENCE

Front of House Worker - Swansons Sandwich Bar

2023 – Present

- Deliver excellent customer service in a fast-paced environment while balancing multiple priorities.
- Train new staff and work collaboratively to maintain efficient daily operations.

TECHNICAL SKILLS

- **Languages:** Java, TypeScript, JavaScript, C/C#, HTML/CSS, SQL, MATLAB, R, Python
- **Frameworks & Libraries:** React, React Native, Node.js, Express.js, JavaFX, Expo, Jest, Supertest, Vitest
- **Tools & Databases:** Git, GitHub, MongoDB, SQLite, Jira, Figma, Postman

PERSONAL INTERESTS

- Gaming, piano, baking, cafe hopping
